

11.27 Yui HiraSawa
* Happy Birthday *

Yui seemed so
satisfied at
a coward.

Was she
about to hug me.

If she doesn't see
the "Sakura"
between "Sanae"
and "Koshae".

I'm the same.

PLEASE
STOP
TOUCH
THAT
HERE!

Would the
wall between
"Sanae" and
"Koshae".

Toto...

on Yui's side's
behalf, if it
exists...

Well, that's
wonderful it is
supposed to be the
present!

EYE
TAVARD--
THANK
YOU!!

HERE'S
YOUR
PRESENT!

YU-
SHARU...

The strategy
is to make
sweet a present.

HAPPY
BIRTHDAY!

WHACK!

Gosh!!

I'M GO
ALREADY!

Even though
I want so far
as to dress
up like this.

So that way,
her birthday
will end.

"But her
uniform..."

is different
in her mind.

is crossing the
wall between
"Secret" and
"Reveal"...

Wait now,
Yui-sensei...

Ah...

"Her uniform
is a present"...

...isn't too
ridiculous.

If that's the
case, OK...

I. IT'S AN
EXCHANGE,
SAIT IT?

SINCE I ATE
YOUR TAIWAN
AND ALL...

I'LL GIVE
YOU MY
BAND LAD-
FOUR AS A
PRESENT!

If that's the
case, I'll...

also that
cover the
Yakusoku...

a bit of
courage
up a
moment,

Full-screen...

this present...

Did you
like it.
I wouldn't

Yui's birthday present
